Dear Friends and Customers:

We have prepared this new price list with one purpose in mind: To serve you; the customer, with choice Gloxinia and Violets—grown, packed and shipped direct from our houses, where we maintain constantly a grown stock of more than 75 of the top Violet originations, and more than 50 color combinations of Hybrid Gloxinia's.

We specialize in African Violets and Gloxinia. The GOOD ones. Varieties that are outstanding as a result of years of cross hybridization of the better kinds. New color combinations and unusual foliage, and many choice double-flowering varieties are the latest thing in violets nowadays.

We sell new varieties for those who want the latest sorts, and we have the exquisite kinds that are just a few years older, priced low to be available for the modest purse. Some favorites are missing from this issue due to insufficient stock, and we hope to have them by next Spring.

As you turn these pages, I know you can vision a beautiful indoor window garden that will add to the enjoyment of your home. A real treat is in store for you if you have not ordered from us before. We know a happy customer is our best advertisement, and are anxious to please. We guarantee every plant to arrive in perfect condition and we ask you to be the judge of value. Your money is safe with us.

BALLERINA BEGINNERS PLANT COLLECTION

(Limit One Collection to a Customer)

Four \$1.25 varieties labeled—Your Choice (worth \$5.00)
FOR \$4.00

We hope to make many new friends again this season by this special offer of any four plants which you select from our catalog price listing of \$1.25 each. Plants will be taken from our regular stock. If you are starting your collection this season remember that our \$1.25 kinds include the finest of the ever-popular varieties and your assurance of peerless beauty. Be sure to make your selection from the \$1.25 listing only.

KAPCO COMPLETELY SOLUBLE 15-30-15 LIQUID FERTILIZER

Simply dissolve one teaspoon of KAPCO in one quart of water. We recommend this solution only twice a month to obtain most economical benefits; here is what you do. Order a package of our good potting soil and some KAPCO PLANT FOOD. Then follow the growing instructions in your package. We have had many fine reports from our customers on their experience with KAPCO. It produced stronger root growth, sturdier stems, rich green luxuriant foliage and larger, longer lasting blossoms. 20 oz., \$1.00; 7 oz., 50¢.

STEAM STERILIZED POTTING SOIL

May we suggest that you try our own specially prepared potting soil, not a commercially prepared product, but the same one we grow our plants in. 3 lb. for \$1.00 and 5 lb. for \$1.50 postpaid. Soil shipped west of the Mississippi add 60¢ for postage.

KAPSULATE

(Sodium Solenate in Capsules)

For African Violets and other Flowers Grown in Pots

SAFE, EASY to use—merely drop the capsule on the soil in the pot and water THE SOIL. The plant takes up the selenium in about two weeks; then insects such as aphids, mite, red spider, midge, thrip, etc., that feed on the plant are either killed or repelled.

SPECIAL NEW COMBINATION BOX consisting of 24 KAPSULATES (capsules) and 2½ ounces of PLANT-L-IZER (High Soluble Fertilizer for Liquid Feeding) only \$1.00 postpaid.

Pure Sodium Selenate 3 Grams for \$.50

SHIPPING

Orders will be sent just as soon as possible after receiving same, except Gloxina Tubers which are shipped at proper planting time, or early fall if you request so. We do retail shipping of plants after Dec. 1 or before April 1. As Violet and Gloxina plants cannot be shipped safely in freezing weather, all orders received after Dec. 1 will be held for April 1st shipment unless you request a cash refund. We advise you however to get your orders in early so you can be sure of early delivery. In case we are sold out of a variety we will substitute a variety of equal value or better unless you state on your order you wish no substitution.

DAMAGED SHIPMENTS

Damaged shipments will be adjusted *only* when the damaged merchandise is returned to us at once enclosing a certificate of damage from your carrier. We cannot assume any responsibility after you have had the plants for several months. Our shipments are guaranteed to reach you in good livable condition and replacements will be cheerfully made when it becomes necessary.
